Notes: Benchmark Institutions are in bold type. Canadian institutions McGill and University of Toronto are excluded.

Overall salaries represent a weighted average of rank salaries using OSU's rank distribution as weights.

All 12-month salaries have been converted to a 9-month basis.

Living cost can vary from community to community within a large metropolitan area. When information was available regarding the specific location of a campus, that index was used. When information regarding the particular location was unavailable or ambiguous, the cost-of-living for the metropolitan area as a whole was used.
