

3335-7

Standardize the titles for clinical/teaching/practice faculty and research faculty

Synopsis: Standardize the titles of clinical/teaching/practice faculty and research faculty titles to make them consistent with tenure-track faculty titles.

WHEREAS currently 14 of 15 colleges use these clinical/teaching/practice faculty titles and 10 of 15 use these research faculty titles;

WHEREAS current titles for clinical/teaching/practice faculty and for research faculty vary across the university due to the inclusion of college, school and department names in the title;

WHEREAS college, school and department names are not necessarily descriptive of the teaching, practice, or research of the faculty member;

WHEREAS this change will align titles for clinical/teaching/practice faculty and for research faculty the tenure-track faculty titles and differentiate them from associated faculty titles;

WHEREAS this chapter addresses rules for both clinical/teaching/practice and research faculty;

WHEREAS the Office of Academic Affairs has agreed to these revisions; and

WHEREAS the Rules Committee unanimously approved this resolution and proposed language on December 3rd, 2021;

NOW THEREFORE BE IT RESOLVED, that a revision to rule 3335-7 be approved by the University Senate and respectfully request concurrence of the Board of Trustees effective upon approval by the Board of Trustees.
