

COUNCIL ON ACADEMIC AFFAIRS

ACTIVITIES REPORT

September 1, 2021 – June 22, 2022

18 2-hour meetings were held, including three Meetings held in the 2022 Summer Term (May 26, June 7, and June 22) Professor **Maria Pruchnicki** was elected Chair and Professor W. Randy Smith, Vice Provost, served as Vice Chair.

I. CURRICULA

Council approved the following proposals – presented alphabetically, by College/School, with date(s) of formal Council on Academic Affairs discussion/action in parentheses.

Arts and Sciences

Proposal from the Department of Psychology to establish a new Graduate Certificate (type 3a) in Health Psychology / Behavioral Medicine (9/15/21)

Proposal from the College of Arts and Sciences to establish an undergraduate certificate (type 1b) in Intercultural Competence for Global Citizenship (10/20/21)

Proposal from the College of Arts and Sciences to establish a History of Capitalism Certificate (category 1b) (4/6/22)

Proposal from the Department of Arts Administration, Education and Policy to revise the Bachelor of Art Education with Licensure (4/6/22)

Proposal from the Department of Geography to revise the Social Science Air Transportation Bachelor of Arts degree program (5/26/22)

Proposal from the Department of Geography to revise the Geography major leading to the Bachelor of Arts degree (6/7/22)

Proposal from the School of Music to revise the musicology core in all its undergraduate majors (6/7/22):

- Bachelor of Arts
- Bachelor of Music Education
 - Instrumental
 - Choral
 - General
- Bachelor of Music

- Jazz Studies
- Performance (Orchestral Instruments)
- Performance (Voice)
- Performance (Piano)
- Composition
- Theory
- Musicology
- Bachelor of Science

Proposal from the Department of Anthropology to revise its Master of Arts degree program, suspend direct admission to the program, and offer it as a non-thesis only program (6/22/22)

Proposal from the Department of Anthropology to revise its Ph.D. program (6/22/22)

Proposal from the Department of Molecular Genetics to establish a combined Bachelor of Science and Master of Science (BS/MS) program (6/22/22)

Business

Proposal from the Fisher College of Business to establish a new Graduate Certificate (type 3a) in IT Strategy (9/15/21)

Proposal from the Fisher College of Business to establish a new Master of Supply Chain Management online degree program (1/12/22)

Proposal from the Fisher College of Business to revise the Graduate Certificate (type 3a) in IT Strategy (2/16/22)

Dentistry

Proposal from the College of Dentistry to revise the Dental Hygiene Curriculum (6/7/22)

Education and Human Ecology

Proposal from the Department of Educational Studies to establish a new Graduate Certificate (type 3a) in Anti-Racism in Education (9/15/21)

Proposal from the Department of Teaching and Learning to revise the existing Master of Education with specialization in World Languages program (1/19/22)

Proposal from the Department of Teaching and Learning to revise the existing Online Graduate Certificate in Core Practices in World Language Education program (1/19/22)

Proposal from the Department of Teaching and Learning to establish Undergraduate and Graduate Minors in Visual Impairment (1/19/22)

Proposal from the Department of Teaching and Learning to establish a new undergraduate program in Visual Impairment Education leading to the Bachelor of Science in Education degree (2/2/22)

Proposal from the Department of Human Sciences to revise the Fashion and Retail Studies Undergraduate Minor (4/6/22)

Proposal from the Department of Teaching and Learning to revise the Bachelor of Science in Education -World Language Education program (6/7/22)

Proposal from the Department of Human Sciences to revise the Human Development and Family Science undergraduate minor (6/7/22)

Proposal from the Department of Human Sciences to revise the Health Education licensure program (6/7/22)

Proposal from the Department of Educational Studies to establish a Graduate Specialization in Counseling Psychology in its Ph.D. program (6/22/22)

Proposal from the Department of Educational Studies to revise the Special Education Licensure Certification (Category 5b) Program (6/22/22)

Proposal from the Department of Educational Studies to revise the Special Education Endorsement Certification (Category 5b) Program (6/22/22)

Proposal from the Department of Educational Studies to revise the Specialization in Educational Administration in its Ed.D. program (6/22/22)

Proposal from the Department of Teaching and Learning to establish a Graduate Certificate (Category 3 a) in Teaching English Language Learners (6/22/22)

Proposal from the Department of Human Sciences to suspend admissions to the Ed.D. Kinesiology program – with plans for eventual discontinuation (6/22/22)

Engineering

Proposal from the Department of Chemical and Biomolecular Engineering to revise its Bachelor of Science in Chemical Engineering program (11/17/21)

Proposal from the Department of Civil, Environmental, and Geodetic Engineering to establish a new Master of Structural Engineering degree program (1/12/22)

Proposal from the Department of Civil, Environmental and Geodetic Engineering to create a combined degree program in Civil Engineering leading to a combined Bachelor of Science/Master of Science degree (2/2/22)

Proposal from the Department of Electrical and Electrical Engineering and Engineering to change the Electrical Engineering Program of Study in the Bachelor of Science in Electrical and Computer Engineering (BSESE) degree (2/2/22)

Proposal from the Department of Electrical and Computer Engineering and Engineering to change the Electrical Engineering Program of Study in the Bachelor of Science in Electrical and Computer Engineering (BSESE) degree (2/2/22)

Proposal from the Department of Mechanical and Aerospace Engineering to revise the Master of Science and Doctor of Philosophy Nuclear Engineering degree programs (2/16/22)

Proposal from the College of Engineering to revise the Bachelor of Science in Engineering Technology degree program (6/7/22)

Proposal from the Knowlton School of Architecture to revise the following undergraduate degree programs (6/7/22)

- Bachelor of Science in Architecture
- Bachelor of Science in Landscape Architecture
- Bachelor of Science in City and Regional Planning

Proposal from the Department of Food, Agricultural and Biological Engineering to revise the Bachelor of Science in Food, Agricultural and Biological Engineering degree program (6/7/22)

Proposal from the Department of Integrated Systems Engineering to revise the Bachelor of Science in Industrial and Systems Engineering degree program (6/7/22)

Proposal from the College of Engineering to revise its Humanitarian Engineering Minor program (6/22/22)

Food, Agricultural, and Environmental Sciences

Proposal from the Department of Entomology to revise the PhD, Master of Science (Plan A), Master of Science (Plan B), and Graduate Minor in Entomology (10/6/21)

Proposal from Ohio State ATI to revise the Associate of Science degree program (10/20/21)

Proposal from Ohio State ATI to deactivate the Bioenergy Certificate (12/1/21)

Proposal from Ohio State ATI to deactivate the Bioenergy and Water Treatment Management major leading to the Associate of Applied Science degree (12/1/21)

Proposal from Ohio State ATI to deactivate the Nursery Specialization in the Greenhouse and Nursery Management major leading to the Associate of Applied Science degree (12/1/21)

Proposal from Ohio State ATI to deactivate the Floral Design and Marketing major leading to the Associate of Applied Science degree (12/1/21)

Proposal from the Department of Animal Sciences to revise the Master in Animal Sciences degree program (2/16/22)

Proposal from Department of Plant Pathology to deactivate the Bachelor of Science in Agriculture - Plant Health Management program (2/16/22)

Proposal from the College of Food, Agricultural and Environmental Sciences to revise the Brewing Science undergraduate minor program (3/2/22)

Proposal from the Department of Horticulture and Crop Science to revise its Master of Science degree program (6/22/22)

Proposal from the Department of Horticulture and Crop Science to revise its Doctor of Philosophy degree program (6/22/22)

Proposal from the Department of Agricultural, Environmental and Development Economics to revise each of the following undergraduate minor programs (6/22/22):

- Agribusiness
- Farm Management
- Environmental Economics
- International Economic Development

Graduate School

Interdisciplinary Programs

Proposal from the College of Arts and Sciences and College of Public Health to create an undergraduate minor in Public Health and the Arts (9/1/21)

Proposal from the Center for Slavic, East European and Eurasian Studies and the College of Medicine to establish a dual degree program in the Master of Arts in Slavic, East European, and Eurasian Studies and the Master of Arts in Bioethics (9/1/21)

Proposal from the College of Public Health and College of Social Work to revise the existing dual degree program in the Master of Public Health and the Master of Social Work (10/20/21)

Law

Medicine

Proposal from the Department of Biomedical Education and Anatomy to create an undergraduate minor in Human Anatomy (9/1/21)

Proposal from the School of Health and Rehabilitation Sciences to create Certificates (type 1a and 3a) in Medical Coding and Healthcare Analytics (9/15/21)

Proposal from the School of Health and Rehabilitation Sciences to establish a new Master of Athletic Training degree program (9/15/21)

Proposal from the Department of Microbial Infection and Immunity to establish a new PhD program in Immunology and Immunotherapeutics (1/12/22)

Proposal from the School of Health and Rehabilitation Sciences to revise the Bachelor of Science in Biomedical Sciences degree program (5/26/22)

Proposals from the School of Health and Rehabilitation Sciences to address the University's revised General Education programs (5/26/22):

- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Health Information Management and Systems program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Health Sciences program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Medical Laboratory Science program, Certification Track
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Medical Laboratory Science program, Medical Science/Non-Certification Track program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Radiologic Sciences and Therapy, Radiation Therapy program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Radiologic Sciences and Therapy, Radiography program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Radiologic Sciences and Therapy, Diagnostic Medical Sonography program
- Proposal to revise the Bachelor of Science in Health and Rehabilitation Sciences - Respiratory Therapy program

Nursing

Proposal from the College of Nursing to revise the Master of Health Care Innovation (9/1/21)

Proposal from the College of Nursing to revise the Master of Health Administration (9/1/21)

Proposal from the College of Nursing to establish a new Doctor of Nursing Education distance degree program (11/3/21)

Proposal from the College of Nursing to

- Revise and retile the Bachelor of Science in Health and Wellness Innovation program
- Retile the Undergraduate Minor in Health and Wellness Innovation (11/17/21)

Proposal from the College of Nursing to revise its Global Option (12/1/21)

Proposal from the College of Nursing to revise the Bachelor of Science in Nursing degree program (3/23/22)

Proposal from the College of Nursing to revise the RN-to-BSN option of the Bachelor of Science in Nursing degree program (3/23/22)

Proposal from the College of Nursing to revise the Doctor of Nursing Practice degree program (4/20/22)

Proposal from the College of Nursing to discontinue the following specializations in the Master of Science in Nursing (4/20/22):

- Acute care pediatric nurse practitioner
- Adult gerontology acute care nurse practitioner
- Adult gerontology primary care nurse practitioner
- Adult gerontology clinical nurse specialist
- Family nurse practitioner
- Primary care pediatric nurse practitioner
- Psychiatric mental health nurse practitioner
- Women's health nurse practitioner
- Nurse-midwifery

Optometry

Pharmacy

Proposal from the College of Pharmacy to establish a new specialization in RNA Nanobiotechnology and Nanopharmaceuticals in the PhD in Pharmaceutical Sciences degree program (1/19/22)

Public Affairs

Proposal from the John Glenn College of Public Affairs to revise the Graduate Minor in Nonprofit Studies (2/16/22)

Public Health

Proposal from the College of Public Health to revise the Master of Health Administration (9/1/21)

Proposal from the College of Public Health to revise the Bachelor of Science in Public Health and the Master of Public Health (9/15/21)

Proposal from the College of Public Health to revise the existing Specialization in Biomedical Informatics in the Master of Science in Public Health (10/20/21)

Proposal from the College of Public Health to revise the existing Master of Science in Public Health with a specialization in Epidemiology (1/19/22)

Proposal from the College of Public Health to revise the Bachelor of Science in Public Health degree program (3/23/22)

Proposal from the College of Public Health to revise the Graduate Minor in Public Health Behavior and Health Promotion (6/22/22)

Proposal from the College of Public Health to revise the Specialization in Public Health Behavior and Health Promotion in its Ph.D. program (6/22/22)

Proposal from the College of Public Health to revise the Specialization in Epidemiology in its Master of Science program (6/22/22)

Social Work

Proposal from the College of Social Work to revise the Bachelor of Science in Social Work degree program (4/6/22)

Veterinary Medicine

Proposal from the College of Veterinary Medicine to revise the Doctor of Veterinary Medicine (DVM) program (3/2/22)

II. CREATION, ABOLITION, & REORGANIZATION OF PROGRAMS, ACADEMIC UNITS, AND CENTERS/INSTITUTES

Four Year Review: Michael V. Drake Institute for Teaching and Learning (10/6/21)

2 Year Update: Sustainability Institute (10/20/21)

Review: Mershon Center for International Security Studies (11/3/21)

Review: Center for Operational Excellence (1/12/22)

Review: Center for the Study of Teaching and Writing (1/12/22)

Proposal to establish the Center for Quantum Information Science and Engineering (1/19/22)

Review: Newark Earthworks Center (1/19/22)

Proposal to change the name of the Department of Near Eastern Languages and Cultures to the Department of Near Eastern and South Asian Languages and Cultures (2/2/22)

Proposal from the College of Medicine to establish the Department of Dermatology (2/16/22)

Proposal from the College of Social Work to add a Clinical Faculty Track (3/23/22)

Proposal to establish the Gene Therapy Institute (4/6/22)

Proposal to establish the Department of Molecular Medicine and Therapeutics (4/20/22)

Proposal to use the term Center for the 5G-OH: 5G and Broadband Connectivity Center (6/7/21)

III. INFORMATIONAL ITEMS, REPORTS AND DISCUSSION

2021-22 CAA Subcommittee Assignments (9/1/21)

Request from the Department of Molecular Genetics to make the Molecular Genetics Master of Science a terminal degree with direct entry (9/1/21)

Updates to the Department of Anthropology's course list for the Food, Culture and Society Certificate (type 1b) (10/6/21)

Establishment by the College of Medicine of the Primary Care Track Specialization (10/6/21)

Establishment by the Fisher College of Business of a non-credit Workforce Development Certificate of Completion – IT Strategy (category 4) (10/6/21)

Establishment by the College of Food, Agricultural and Environmental Sciences of a non-credit Workforce Development Certificate of Completion – Lean Basics (category 4) (10/6/21)

Establishment by the College of Food, Agricultural and Environmental Sciences of a non-credit Workforce Development Certificate of Completion – Manufacturing Inspection (category 4) (10/6/21)

Establishment by the College of Food, Agricultural and Environmental Sciences of a non-credit Workforce Development Certificate of Completion – Manufacturing Safety Fundamentals (category 4) (10/6/21)

Update from the Department of Mechanical and Aerospace Engineering to the Mechanical Engineering undergraduate program capstone design sequence (10/20/21)

Update from the Department of Integrated Systems Engineering to the technical elective track in the Industrial Systems Engineering Undergraduate Program (10/20/21)

Establishment by the College of Food, Agricultural and Environmental Sciences of a non-credit Workforce Development Certificate of Completion – Leadership in the City (category 4) (11/3/21)

Update from the Department of Finance to the Real Estate undergraduate minor (11/17/21)

Update from the Department of Mechanical and Aerospace Engineering to the Nuclear Engineering undergraduate minor (11/17/21)

Committee on Academic Misconduct (COAM) Presentation (11/17/21)

Decision by the College of Arts and Sciences to terminate the minor program that predated the 2016 approval of two separate minors – Design Thinking and Design Foundations (12/1/21)

Health and Wellness Expected Learning Outcomes (ELO) Revision (1/12/22)

Decision by OSU Mansfield to suspend the RN to BSN program (1/12/22)

Update from the College of Arts and Sciences to the Undergraduate Statistics and Data Analytics majors (1/12/22)

Update from the College of Nursing on its Clinical Faculty Cap (1/12/22)

Update from the Department of History of Art to the History of Art undergraduate minor and advising sheet (2/16/22)

Update from the Department of Speech and Hearing Science to the Doctor of Audiology degree program (3/2/22)

Update from the Department of Microbiology to the Microbiology program leading to the Bachelor of Science degree (3/2/22)

Update from the Department of Educational Studies to the Graduate Certificate in Anti-Racism in Education (3/2/22)

Annual Presentation: SEI Oversight Committee (4/6/22)

Update from the Department of Teaching and Learning to the M.Ed. World Language Program (4/20/22)

Update from the Department of Teaching and Learning to the Bilingual Education Endorsement (4/20/22)

Update from the Center for Aviation Studies to the Professional Pilot Certification Specialization Program (4/20/22)

Update from the School of Health and Rehabilitation Sciences to the Doctor of Physical Therapy Program (4/20/22)

Update from the Department of Teaching and Learning to the Specialization in Foreign, Second, and Multilingual Language Education (FSMLE) (4/20/22)

Update from the Department of Teaching and Learning to the Teaching English to Speakers of Other Languages (TESOL) Endorsement (4/20/22)

Election of 2022-23 CAA Chair (5/26/22)

Revisions to the following undergraduate programs in the College of Education and Human Ecology (6/7/22)

- Bachelor of Science in Nutrition, Human Nutrition – Dietetics
- Bachelor of Science in Nutrition, Human Nutrition – Nutrition in Industry
- Bachelor of Science in Nutrition, Human Nutrition – Nutrition Sciences
- Bachelor of Science in Education, Technical Education and Training, Family and Consumer Sciences Education
- Bachelor of Science in Education, Special Education
- Bachelor of Science in Hospitality Management
- Bachelor of Science in Education, Exercise Science
- Bachelor of Science in Health Promotion, Nutrition, and Exercise Science

Corrections to the Agricultural Systems Management major of the Associate of Science degree at Ohio-State ATI (6/22/22)

Corrections to the Construction Systems Management major of the Associate of Science degree at Ohio-State ATI (6/22/22)

Corrections to the Agricultural Systems Management major of the Bachelor of Science in Agriculture degree (6/22/22)

Corrections to the Animal Sciences major for the Bachelor of Science degree (6/22/22)

Revision by the College of Social Work to the Child Abuse and Neglect minor program (6/22/22)

Revision by the College of Social Work to the Substance Misuse and Addiction minor program (6/22/22)

Establishment of the Center for Integrative Health in the College of Medicine (6/22/22)

IV. GENERAL EDUCATION EMBEDDED LITERACIES

College of Dentistry's plan to address the Embedded Literacies in the Baccalaureate Degree Completion, Bachelor of Science degree program (2/2/22)

College of Public Health's plan to address the Embedded Literacies in the Bachelor of Science in Public Health degree program (2/2/22)

College of Pharmacy's plan to address the Embedded Literacies in the Bachelor of Science in Pharmaceutical Sciences degree program (2/2/22)

John Glenn College of Public Affairs' plans to address the Embedded Literacies in the following degree programs (2/2/22)

- Bachelor of Arts in Public Management, Leadership, and Policy
- Bachelor of Science in Public Policy Analysis degree programs

College of Education and Human Ecology's plans to address the Embedded Literacies in the following degree programs (2/16/22)

- Child and Youth Studies
- Consumer and Family Financial Services
- Dietetics
- Dual Licensure – Primary and Visual Impairment
- Dual Licensure – Special Education and Primary K-5
- Exercise Science
- Fashion and Retail Studies
- Human Development and Family Science
- Hospitality Management
- Health Promotion, Nutrition and Exercise Science
- Integrated Language Arts
- Math Education
- Middle Childhood Education
- Nutrition in Industry
- Nutrition Sciences
- Primary K-5
- Science Education

- Sports Coaching, Recreation and Physical Education
- Social Studies
- Special Education
- Sport Industry
- Teaching English as a Second Language (TESOL)
- Technical Education and Training—Business Education Specialization
- Technical Education and Training—Career and Technical Education
- Technical Education and Training—Family and Consumer Science Education
- Visual Impairment
- World Language

School of Health and Rehabilitation Sciences' plans to address the Embedded Literacies in the following programs (2/16/22)

- Biomedical Science
- Health Information Management and Systems
- Health Sciences
- Medical Laboratory Science—Certification Track
- Medical Laboratory Sciences—Medical Laboratory Technology (MLT) Track
- Medical Laboratory Sciences—Medical Science/Non-Certification Track
- Radiation Therapy
- Radiography Therapy
- Respiratory Therapy

College of Food, Agricultural and Environmental Sciences proposals to address the University's General Education curriculum (3/2/22)

Bachelor of Science in Agriculture Programs

- Agricultural Systems Management
- Culinary Science
- Entomology
- Plant Pathology
- Professional Golf Management
- Sustainable Agriculture
- Sustainable Plant Systems

Bachelor of Science in Agriculture Programs with affiliated Associate of Science Programs

- Agribusiness and Applied Economics
 - Bachelor of Science in Agriculture - Agribusiness and Applied Economics

- Associate of Science - Agribusiness
- Agricultural Communication
 - Bachelor of Science in Agriculture - Agricultural Communication
 - Associate of Science – Agricultural Communication
- Agriscience Education
 - Bachelor of Science in Agriculture – Agriscience Education
 - Associate of Science – Agriscience Education
- Community Leadership
 - Bachelor of Science in Agriculture - Community Leadership
 - Associate of Science – Community Leadership
- Food Business Management
 - Bachelor of Science in Agriculture – Food Business Management
 - Associate of Science – Food Business Management

Other Bachelor of Science Programs

- Bachelor of Science in Constructions Systems Management
- Bachelor of Science in Food Science
- Bachelor of Science in Nutrition

College of Nursing’s plans to address the Embedded Literacies in the following degree programs (3/23/22)

- Bachelor of Science in Nursing (Current and Revised)
- Bachelor of Science in Health and Wellness Innovation in Healthcare

College of Engineering’s plans to address the Embedded Literacies in the following degree programs (3/23/22)

- Bachelor of Science in Aerospace Engineering
- Bachelor of Science in Aviation
- Bachelor of Science in Biomedical Engineering
- Bachelor of Science in Chemical Engineering
- Bachelor of Science in Civil Engineering
- Bachelor of Science in Computer Science and Engineering
- Bachelor of Science in Electrical and Computer Engineering
- Bachelor of Science in Engineering Physics
- Bachelor of Science in Environmental Engineering
- Bachelor of Science in Food, Agricultural and Biological Engineering
- Bachelor of Science in Industrial and Systems Engineering
- Bachelor of Science in Materials Science and Engineering

- Bachelor of Science in Mechanical Engineering
- Bachelor of Science in Welding Engineering
- Bachelor of Science in Architecture
- Bachelor of Science in City and Regional Planning
- Bachelor of Science in Landscape Architecture

College of Food, Agricultural and Environmental Sciences proposals to address the University's General Education curriculum (3/23/22)

Associate of Science Majors with corresponding Bachelor of Science Majors

- Associate of Science Agronomy
- Associate of Science Horticultural Science
- Associate of Science Sustainable Agriculture
- Associate of Science Agricultural Systems Management
- Associate of Science Construction Systems Management

Bachelor of Science in Agriculture Majors with Affiliated Associate of Science Majors

- Bachelor of Science in Agriculture - Animal Sciences
- Associate of Science – Animal Sciences
- Associate of Science – Biochemical Sciences

Bachelor of Science in Environmental Sciences Majors with Affiliated Associate of Science Majors

- Bachelor of Science in Environment and Natural Resources - Environment, Economy, Development, and Sustainability
- Bachelor of Science in Environment and Natural Resources - Environmental Science
- Bachelor of Science in Environment and Natural Resources - Environmental Policy and Decision Making
- Bachelor of Science in Environment and Natural Resources - Forestry, Fisheries, and Wildlife
- Bachelor of Science in Environment and Natural Resources - Natural Resource Management
- Associate of Science – Environment and Natural Resources

Fisher College of Business' plan to address the Embedded Literacies in the Bachelor of Science in Business Administration degree program (4/6/22)

College of Arts and Sciences' plan to address the Embedded Literacies in the following degree programs (4/6/22)

- Bachelor of Arts
 - Actuarial Science
 - African American and African Studies
 - Ancient History and Classics
 - Anthropology
 - Arabic
 - Arts Management
 - Biochemistry
 - Chemistry
 - Classics
 - Communication
 - Comparative Studies
 - Earth Sciences
 - Film Studies
 - French
 - French and Francophone Studies
 - German
 - Hebrew and Jewish Studies
 - History
 - History of Art
 - Italian
 - Linguistics
 - Mathematics
 - Medical Anthropology
 - Medieval and Renaissance Studies
 - Modern Greek
 - Moving-Image Production
 - Philosophy
 - Psychology
 - Public Affairs Journalism
 - Religious Studies
 - Russian
 - Speech and Hearing Science
 - Theatre
 - Women's, Gender and Sexuality Studies
 - World Literature
 - Zoology
- Bachelor of Art Education
- Bachelor of Science

- Actuarial Science
- Anthropology
- Astronomy
- Biochemistry
- Chemistry
- Earth Sciences
- Evolution and Ecology
- Integrated Major in Mathematics and English
- Mathematics
- Medical Anthropology
- Molecular Genetics
- Physics
- Psychology
- Statistics
- Zoology
- Bachelor of Science in Design
 - Industrial Design
 - Interior Design
 - Visual Communication Design

College of Arts and Sciences' plan to address the Embedded Literacies in the following degree programs (4/20/22)

- Bachelor of Arts
 - Art
 - Biology
 - Forensic Biology
 - Life Sciences Education
 - Pre-Health Professionals
 - Dance
 - English
 - Creative Writing and Literature
 - Film
 - Folklore
 - Literature for Pre-Education
 - Pop Culture Studies
 - Writing, Rhetoric, and Literacy
 - Geography
 - Environment and Society
 - Social Sciences Air Transportation
 - Urban, Regional and Global Studies
 - International Studies

- African Studies
 - Development Studies
 - East Asian Studies
 - Globalization Studies
 - International Relations and Diplomacy
 - Latin American Studies
 - Middle East Studies
 - Security and Intelligence
 - Slavic and East European Studies
 - West European Studies
 - World Economy and Business
- Islamic Studies
- World Politics
- Bachelor of Fine Arts
- Bachelor of Science
 - Atmospheric Sciences
 - Biology
 - Forensic Biology
 - Life Sciences Education
 - Pre-Health Professionals
 - Data Analytics
 - Geography
 - Physical Geography
 - Spatial Analysis
 - International Studies
 - African Studies
 - Development Studies
 - East Asian Studies
 - Globalization Studies
 - International Relations and Diplomacy
 - Latin American Studies
 - Middle East Studies
 - Security and Intelligence
 - Slavic and East European Studies
 - West European Studies
 - World Economy and Business
 - Microbiology
- Bachelor of Science in Geographic Information Science

College of Education and Human Ecology's proposals to address the University's General Education curriculum (4/20/22)

Educational Studies

- Proposal to revise the Bachelor of Science in Education, Special Education program
- Proposal to revise the Bachelor of Science in Education, Technical Education and Training program

Human Sciences

- Proposal to revise the Bachelor of Science in Health Promotion, Nutrition, and Exercise Science program
- Proposal to revise the Bachelor of Science in Nutrition, Human Nutrition-Dietetics program
- Proposal to revise the Bachelor of Science in Nutrition, Human Nutrition-Nutrition in Industry program
- Proposal to revise the Bachelor of Science in Human Nutrition, Human Nutrition-Nutrition Sciences program
- Proposal to revise the Bachelor of Science in Human Development and Family Science program
- Proposal to revise the Bachelor of Science in Education, Sport Industry program
- Proposal to revise the Bachelor of Science in Education, Exercise Science Education program
- Proposal to revise the Bachelor of Science in Human Ecology, Fashion and Retail Studies
- Proposal to revise the Bachelor of Science in Hospitality Management
- Proposal to revise the Bachelor of Science in Education, Sports Coaching, Recreation, and Physical Education-Physical Education Teacher Education program
- Proposal to revise the Bachelor of Science in Education, Sports Coaching, Recreation, and Physical Education-Sports Coaching and Recreation program

Teaching and Learning

- Proposal to revise the Bachelor of Science in Education, Child and Youth Studies program
- Proposal to revise the Bachelor of Science in Education, Early Childhood Education and Early Childhood Education with Visual Impairment Licensure program
- Proposal to revise the Bachelor of Science in Education, Integrated Language Arts/English Education program
- Proposal to revise the Bachelor of Science in Education, Integrated Social Studies program
- Proposal to revise the Bachelor of Science in Education, Middle Childhood Education program

- Proposal to revise the Bachelor of Science in Education, Science and Mathematics Education program
- Proposal to revise the Bachelor of Science in Education, Teaching English to Speakers of Other Languages (TESOL) program
- Proposal to revise the Bachelor of Science in Education, Dual Licensure in Primary General Education and Intervention Specialist program

Proposal from the University-level Advisory Committee (ULAC) on the General Education (GE) program to add the following themes to the new GE (5/26/22):

- Migration, Mobility, and Immobility
- Number, Nature, Mind
- Origins and Evolution
- Traditions, Cultures and Transformations

College of Arts and Sciences' plan to address the Embedded Literacies in the following degree programs (5/26/22)

- Bachelor of Arts
 - Arts Management
 - Biology
 - Chinese
 - Computer Information Science
 - Criminology
 - Economics
 - Italian Studies
 - Japanese
 - Korean
 - Linguistics
 - Music
 - Philosophy, Politics, and Economics
 - Portuguese
 - Romance Studies
 - Sociology
 - Spanish
 - Speech and Hearing Science
- Bachelor of Music
 - Jazz Studies
 - Musicology
 - Music Theory
 - Performance

- Bachelor of Music Education
- Bachelor of Science
 - Biology
 - Computer Information Science
 - Economics
 - Music
 - Sociology
 - Vision Science

Update to the Department of Anthropology’s Embedded Literacies for its major programs (6/22/22)

Update to the Department of Geography has revised the Embedded Literacies for its Social and Environmental major program (6/22/22)

Update to the College of Education and Human Ecology’s Embedded Literacies for the following undergraduate major programs: Integrated Social Studies, Middle Childhood Education; TESOL Education, and World Language Education (6/22/22)
