

Higher Learning Commission - Re-affirmation of Accreditation

March 2027

1. The Higher Learning Commission

2. 10 Year Review

- Quality Initiative - Enhancing the Transfer Mission
- Assurance Argument: 4 Criteria
 - introduction
 - **Mission** (alignment; public good; diversity of society)
 - **Integrity: Ethical and Responsible Conduct** (integrity; transparency; Board governance; academic freedom and freedom of expression; knowledge acquisition, discovery and application)
 - **Teaching and Learning** (educational programs; exercise of intellectual inquiry; sufficiency of faculty and staff; support for student learning and resources for teaching; assessment of student learning; program review; student success outcomes)
 - **Sustainability, Institutional Effectiveness Resources and Planning** (effective administration structures; resource base and sustainability; planning for quality improvement)
- Federal Compliance (assignment of credits, program length and tuition; institutional mechanisms for handling student complaints; publication of transfer policies; practices for verification of student identity; protection of student privacy; publication of student achievement data; standing with state and other accrediting agencies; recruiting, admissions and related institutional practices)
