

Revisions to Chapter 3335-3: Administration

Synopsis: The current rule contains outdated names for university offices, committees, and administrator titles. This rule change makes these corrections, and also clarifies language.

WHEREAS the Rules Committee is charged with regularly reviewing the Faculty Rules to keep them up-to-date and using inclusive language;

WHEREAS the rules should correctly reference other sections of the rules and BOT bylaws;

WHEREAS the rules should reflect current university administrative titles, committee names, and offices;

WHEREAS the rules should reflect current university practices;

WHEREAS “their” is now a best-practice, gender-inclusive substitute for “his or her”;

WHEREAS the rules become part of the Ohio Administrative Code, they should use clear language;

WHEREAS the Rules Committee unanimously approved this proposed language on March 11th, 2022;

NOW THEREFORE BE IT RESOLVED, that a revision to chapter 3335-3 be approved by the University Senate and respectfully request concurrence of the Board of Trustees effective upon approval by the Board of Trustees.
