Presidential Search Process

Presidential Selection Subcommittee

The **Presidential Selection Subcommittee (PSS)** will work with the University Advisory Subcommittee (UAS), manages the use of external search firm Isaacson, Miller and ultimately provides a candidate recommendation to the board.

Consists of **seven trustees** who serve as chairs or vice chairs of the board's regular committee structure.

Lewis Von Thaer (chair), Alex R. Fischer, Hiroyuki Fujita, Erin P. Hoeflinger, Brent R. Porteus, Abigail S. Wexner and John W. Zeiger.

Timeline

Phase 1 (Early 2020 – Spring 2020)

- The PSS and UAS will meet with constituents and hold a series of public forums to solicit feedback from the university community about the qualities, skills, attributes and experiences desired in a candidate.
- The community is also encouraged to provide input and comments as well as candidate nominations. The UAS will use the feedback to inform the creation of the Presidential Profile and University Portrait, which will be used as part of the search process.
- The PSS and Isaacson, Miller will engage in an extensive recruitment effort to attract a diverse pool of candidates with the experience and skills required to move Ohio State forward as a leading national public research university.

Timeline

Phase 2 (Late Spring 2020 – Summer 2020)

- The PSS will review the most qualified candidates and identify a subset of semifinalist candidates to interview.
- The Board of Trustees will hear the final recommendation and will either proceed to select the successful candidate or will request other names.
- Formal selection by the Board of Trustees and public announcement of the appointment will follow.
