

# Why OSU chose Interfolio?

Workflow management

Consistency in documentation

Report generation

# How OSU is using Interfolio

## Review, Promotion, and Tenure (RPT)

- Workflow system
- Implemented in autumn 2023

## Faculty Activity Reporting (FAR)

- Captures scholarly activities
- Launched in July 2024, though not required

## Faculty Search

- System to support faculty searches
- Rolling out to some units beginning autumn 2026

# Current and Future States: RPT

- Current State
  - Required for promotion, tenure, and reappointment reviews beginning 2023
  - Required for annual review beginning in 2026
    - Implemented due to the required policy changes and need for clear workflow management
    - Interim policy to be reviewed in autumn 2026
- Future State
  - 2026–2027: conducting a full review of workflow to identify possible revisions

# Current and Future States: FAR

- Current State
  - Available to all faculty since summer 2024
- Future State
  - Spring 2026: Undertaking review of document output
  - Summer 2026: building additional OSU support resources for all faculty
  - Autumn 2026–Spring 2027: offer trainings for faculty to use FAR
  - Autumn 2027: FAR required for promotion, tenure, and reappointment reviews
