Date: Monday, June 1, 2020 6:59:22 PM

Gretchen and Tina:

The proposal from the College of Arts and Sciences to establish a Clinical/Teaching/Practice Faculty Track was approved by the Council on Academic Affairs at its meeting on June 1, 2020. The Council is grateful to Tina for attending the meeting to respond to questions/comments.

The proposal will now be sent to the University Senate with a request for action at a Senate meeting in early Autumn 2020. If approved there it will be sent to the Board of Trustees with a request for action at the Board meeting on November 18-19, 2020. I will provide details on these steps as I receive them.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Co-Chair of the Council, Professor Jennifer Higginbotham (.37) or me.

I am well aware of how important this proposal is to the mission of the College, so congratulations on the successful completion of this important step in the review/approval process.

Randy
