

Proposal to Rescind and Replace Rule 3335-13-06

WHEREAS Faculty rule 3335-13-06 supporting the current Policy on Patents and Copyrights has become obsolete in light of changes in faculty rule 3335-13-07 and new types of faculty work covered by intellectual property protection; and

WHEREAS The new policies regulated through faculty rule 3335-13-06 are of particular interest to faculty, staff, and students, and should therefore be subject to clearly structured faculty oversight over the policy through the Committee on Intellectual Property, Patents, and Copyrights and subject to approval by the University Senate; and

WHEREAS The proposed revisions to faculty rule 3335-13-06 resulted in greater than 50% change to that rule;

BE IT THEREFORE RESOLVED that the University Senate approve the proposal to rescind and replace rule 3335-13-06 with the following, and respectfully seek approval from the Board of Trustees.
